Information for Families Applying for Aid the 2025-2026 School Year

Thank you for your interest in the Roxbury Latin School for the 2025-2026 school year. In order to be considered for financial assistance, you must complete a Clarity Financial Aid Application by January 15, 2025 for prospective families and December 15, 2024 for current families. Award decisions will be sent on March 10, 2025 for prospective families and in January for current families.

The Roxbury Latin School uses the analysis system of the Clarity Financial Aid platform to assess a family's financial need. RL defines "need" as the difference between the cost of attendance and a family's contribution toward that cost. The need assessment is based upon 2023 income and family expense information including assets, liabilities, family size, cost of living and the number of children in tuition charging schools. It is not necessary to upload your 2023 tax documentation manually. Your 2023 1040 and W2 will automatically be transferred from the IRS when you complete the verification step.

If parents are divorced, separated, or never married, both parents are required to complete a Clarity Financial Aid Application. The analysis of both parents (and new spouses if any) will be considered by the Committee.
